### **Motor Vehicle Crash -- Baker Road, Acton**

At about 1600 hours on 27 February 2007, Acton Emergency Medical Services was dispatched to a motor vehicle crash reported to be on the Baker Road.

Two vehicles come together in appeared to be a head on collision. A total of six injured people were located, three adults and three children. Injuries included chest, hip and other skeletal injuries to the adults, and facial and other head trauma to the children.

Other agencies assisting at the scene include Acton Fire Department, Shapleigh Rescue, a Sanford Fire Department ambulance, and Lebanon Rescue. The York County Sheriffs Department is investigating the crash.

Acton EMS will not release any additional patient information due to patient confidentiality mandates.

It appears either non-use or improper use of restraint devices such as seat belts was a contributing factor in some of the injuries.

Acton EMS would like to remind people of the importance of utilizing proper restraint devices.
