### **FOR IMMEDIATE RELEASE**

---

On 26 July 2006 at 1151 hrs York County Communications received a report of a person submerged in the water of Mousam Lake near the Acton/Shapleigh town line.

First arriving units located people that pointed them to an area 30-40 yards from shore. Soon afterward Acton's boat was launched and members proceeded to the area specified by the bystanders.

Upon arrival at the location in the water, it was determined that the person had been in the water for some time and no rescue attempt would be made.

The scene was turned over to Law Enforcement agencies. At their direction, Acton's personnel assisted in recovery.

The identity of the person is unknown at the time of this release.

Agencies responding to the incident were Acton EMS, Acton Fire Department, Shapleigh Ambulance and Shapleigh Fire Department.

The Maine State Police, York County Sheriffs Department and Medical Examiner's Office are investigating.
